Wadsworth, OH. – This guy has created something absolutely incredible; a high protein, full flavored, top- shelf, natural, gourmet quality beef jerky and at **competitive prices!**

Never tried beef jerky you say? Believe it or not, it's not just for Campers and Deer hunters. Beef Jerky continues to be the number #1 growing snack food category, as it is a great nutritious snack, satisfies one's hunger and tastes great! But don't be fooled.....not **ALL** jerky tastes great or even good for that matter..... most just plain **STINKS!** In fact, Toxic Tommy was weary of all the sub-par choices out there in "reconstituted processed ground meat-like sticks" or worse yet, "absolute flavorless shoe leather tough simulated beef strips". Toxic Tommy's vision,

**"To create the very BEST beef jerky the market has ever seen!"**

Working under the strict guidance of the USDA, Toxic Tommy created a "hand-made" secret spice recipe and beef jerky manufacturing process that took nearly 10 years to develop and bring to perfection. The results of his efforts have been incredible;

- The **ULTIMATE** in **FLAVOR, TEXTURE & QUALITY**
- **ALL NATURAL PRODUCTS** with **NO MSG** or **SODIUM NITRATES**

- **LOW in FAT & HIGH in PROTEIN**
- A COMPLETELY **SATISFYING**, MUST HAVE SNACK FOR ANYONE
- 4 UNIQUE FLAVORS; **ORIGINAL, HOT, FIRE and TERIYAKI**

Toxic Tommy makes his recipe spices available for those wishing to make their own jerky products. These same spices are also recognized across the **GLOBE** in making the very **BEST** recipes even **BETTER**. Use his spices in virtually all your egg, meat and vegetable recipes to bring incredible **LIFE** to them.

Toxic Tommy sells direct to end customers on his website and is always looking for vendor, retailers, wholesalers, distributors and has private labeling availability of both spices and jerky. Cost-effective customize packaging can be created with your Company's logo, fund raiser or any other special need. Package sizes range from .7 ounce to 16 ounce, which can certainly meet (jerky pun) anyone's budget.
